

## Volunteer HANDBOOK AGREEMENT

The St. Paul School's mission is to foster Catholic values for the families it serves by teaching and modeling Christian moral development, service, community, respect, and self-esteem.

St. Paul School has prepared an online handbook for you describing all that you need to know and do to volunteer your time and talents at St. Paul School. It will not answer all questions but should direct you to the best informational sources. Please keep this information for your personal use only. It is important that parents, guardians and extended family are familiar with the contents of the handbook. We ask you to read it thoroughly. Return this agreement prior to volunteering with students at any capacity at the school.
