Prayer: God, With Us. Come!

O come, Emmanuel. Come into our world and bring Your peace!
 Come into our lives and grant us your favor. Come into our homes with Your love.
 Stay with us, Lord Jesus, throughout these days of Advent. Be with us wherever we go, be with us in whatever we do. Prepare us for Your birth. May Your birth enlarge our hearts. May we prepare a place for You there.
 Jesus, make room within our hearts for others.
 May your birth awaken us to the Good News!
 Jesus, make us worthy of You, O Lord, Emmanuel...God with us. Come
 May Christ's peace and joy surround you during this Advent Season

Advent Begins: Advent is a time the Catholic Church sets aside for all of us to prepare our hearts and souls for what it means for our own lives to be sent a savior. We hope you will share this preparation time with your families. As we prepare for the coming of Jesus during the Advent Season, we are called to serve as Jesus has served us as a gift from the Father. Starting on Sunday we will have a short Advent reflection from Bishop Barron every day. Take a minute to reflect on the real reason for Christmas.

In these weeks before Christmas, we are reaching outside our school community to serve those in need of God's love. The choir and student council will be delivering socks and singing to the residences of Casa Adobe in San Pablo. With parent's help, we will also be visiting the Bay Park Assisted Living Facility in Pinole with gifts of songs,

Parents taking students out of school during school time: Please consider the consequences to your child before you make a decision to take your child out of school for a family trip that is not an emergency....understand that when you take your child out of academic instruction it causes stress to the student. They are often lost when they return, feel badly that they are behind, and often struggle to understand what is being taught when they return. We see the stress in the child and often they struggle initially coping with the insecurities and extended demands including the increased amount of homework that is required to bring them back to the level of learning
