

Afterschool Robotics Team

Team practice is at the St. Paul School computer lab. Practice will be each Thursday from 3:00pm-4:30pm. Because the first competition is so close, we will have our first practice on a Tuesday (Sep,4). There will be no practice on any half-days, or school holidays. The team will provide a snack at practice.

Competitions are in Oakland at Cristo Rey De La Salle East Bay High School on Saturday Mornings.

Saturday Sep 8 @ 9:00am—12:00pm

Saturday Sep 29 @ 9:00am—12:00pm

Saturday Nov 3 @ 9:00am—12:00pm

Saturday Dec 1 @ 9:00am—12:00pm

What is the competition: The team will compete in a Vex IQ Robotics Competition called "Next Level". There are Vex IQ "Next Level" videos posted on YouTube. The school team did well last year and qualified for a national competition. Beyond science, coding, and engineering principles, VEX Robotics encourages creativity, teamwork, leadership and problem solving skills.

There is no cost for ELP and Panther club students to join the team.

Students who are not currently part of ELP or Panther Club you must register with Panther Club and pay a one time \$25.00 fee to join the team. If a student is picked after 4:45pm you will be charged \$10.00.

Students in Grades 5-8 are welcome to join.

Please remember this a team! Any team member who does not come to a competition or practice will hurt their fellow team members.

Please fill-out an Enrichment Permission form If the student is not currently part of ELP or Panther Club, also fill-out a Panther Club form. Turn in to office or Mr. Tucker.

Educating the Mind, Body with Spirit

PERMISSION FOR MY CHILD TO attend an

After School Enrichment class on the St. Paul School - LCA campus

I give permission for my child/children, to attend an afterschool class held on school premises, led by a professional of their craft and supervised by an SPS-LCA employee. In order for your child to participate in these classes, he/she will need to be enrolled in either the Panther's Club or ELP Extended Care Program. While attending the enrichment class, you will not be charged for the time in after care. Your child will need to be supervised by an adult until you pick them up, therefore after their class experience, if they have not been picked up directly, they will be signed into Panther's club and you will be charged for that time.
