

St. Paul Panthers Club

NEWSLETTER

Welcome Parents!

We are super excited to have started another school year and getting the chance to work with your child(ren) in the Panther's Club after school program. The program is a safe place where they can do homework, and get help with homework. It is also a place where they can play board games, play outside activities, and do arts and crafts. There is a page attached to this with the daily schedule for Panther's Club. Any billing questions can be directed to Ms. Victoria. Any questions regarding the program and schedules can be directed to Ms. Karen or Ms. Kayla and they would love to answer any questions you may have. We are requesting that when picking up your child(ren) to please come to the middle school classrooms to pick up your child(ren) and sign them out for the day, the binder will be in 6th grade up until 5:45, except Thursday will be up until 5:30. It also gives you the perfect opportunity to speak with Ms. Karen and Ms. Kayla about your child's day or any concerns you may have.

We look forward to continue to help your child grow & succeed this school year!

Sincerely,

The Panther's Club Staff
